

Kids Club

Acrylic stands with a coloured dot-system. The colours stand for the different shop sales prices. The dots are also printed on the packaging, so every end-consumer can see immediately how much the product is.

The two wooden displays can also be used as a middle gondola display.

**Empty display kids club with header**  
 Width: 99 cm, depth: 37 cm, height: 157 cm

**!** If the displays stand next to each other they have to be fixed at the reverse side.

The wooden display is appropriate for children and high quality so it is the optimal presentation for the kids club products and an eye-catcher for every shop. The colourful presentation as well as the funny kids club logo communicate fun. For the complete kids club assortment you need two displays. The high-value fabric banner, the different hooks as well as two acrylic stands with price dots are included for free.
