Just celebrate.
Celebrate your life!

WITH THE RIGHT PARTY DECORATION.

WWW.RAYHER.COM

There is always a good reason for celebration!

Whether the occasion is a milestone birthday, your dream wedding, a baby shower of your best friend, a baptism of your little treasure, your nephew's first bicycle or a refreshing garden party – there are plenty of opportunities for an unforgettable celebration.

For both small and big celebrations, there is always a lot of time and effort invested into elaborate decoration, but now adjectives such as ordinary and boring belong to the past! With Rayher Celebration, your upcoming party becomes in no time a memorable experience.

A highly sophisticated decoration achieved by our party accessories gives your event the finishing touch and a distinctive look. Garlands, balloons, confetti & Co. – every single accessory turns your party venue into oasis of wellbeing.

Let's get the party started!

With Rayher Celebration your upcoming party becomes a real delight – for you and your guests!

The choice is yours:

Choose your favourite colours according to your theme party and just pick the corresponding pompoms, garlands and foil balloons up. In addition, you can spice up your party decorations with honeycomb balls, rosettes, candles, confetti and trinkets.

Ours is to help with decorating, yours is to party on your own!

Rayher Celebration offers you a complete range of products related to the topic "Party decoration" – as versatile as your event! Colour-matched, for all ages and for every occasion! Whether it concerns showy room decoration or lovely table set – let us celebrate!

Besides the party accessories, there are all kinds of gift packagings in our range such as high-quality gift boxes and trendy gift wrapping paper.

Love actually

You are looking for an exceptional token of love aside from red roses, perfume and jewellery? You are still lacking the matching accessory for the most significant question in life or the next Valentine's Day? Then we shall have something to suggest: how about a flying heart-shaped balloon or a red-shining "Love" as a little surprise for the love of your life? Even burning "I love you" candles on a cake baked with love will brighten the eyes of your dearest.

Celebrate your love!

The D-Day of your life
A good mood is ensured, the bridal couple is overjoyed, the wedding dress is gorgeous and the wedding venue is peerless. To make the day even more memorable and make the chosen location a real eye-catcher, we are offering you matching balloons, heart-shaped silhouettes, XXL-custom lettering and creative table decorations!
For a bright future!

Sweet eye-catcher

At wedding, the Candy Bar is already indispensable as a highlight, but also on many other events such as baptism, communion and confirmation, for school enrolment, Christmas, birthday and anniversary. Colour-matched to your favorite colours, large glass jars and multi-tier cake stands filled with sweet & savory home-baked or purchased delicacies, decorated with matching garlands, pompoms and rosettes – besides a visual highlight, they are also an all-round sweet temptation that will win your guests' hearts.

On your Candy Bar, get set, go!

Welcome baby!
The greatest happiness must be celebrated! Whether it concerns baby boy or a baby girl, yours or of your best friend – for the next baby shower, all kinds of decorations are ready and waiting for you at our place! Baby-blue garlands, pink-coloured balloons and cheerful confetti will make your day while leading you to a happy future. Some elements can be also used as a nice decoration on special events such as a baptism, communion and confirmation. **Let yourself be inspired!**
