## Your story – in a box

Especially on wet and cold days, we are longing for cosy warmth and atmospheric decorations – and they should be as creative as possible! Illuminated frames coupled with different scenes invite you to dream. Fill your very own box with the most cherished moments!

In addition to the practical 3D wooden building kit, the combined boxes create uniqueness to your heart's content. Even the nature can be easily brought home, thanks to the floristic elements of Rayher. Just try it out!

Every scene really comes alive when the colour, light and the like are added up. A naturally discreet or a fully vivid one? It's up to you to shape your own story!

**Get into the topic quickly! Your box for Christmas.**  
Your story – in a box brings moments of joy, including Hygge.

## All in one box

With the practical 3D wooden building kit of Rayher, you have everything ready for your box. The sets, consisting of pre-cut motifs and corresponding frames, are waiting to be staged by you. The paint, 3D effect foil as well as the fairy lights, decorative snow and Snow Pen will help you make it a reality!

**Your personal box  
– easily assembled**

Whether it's about feasty forest dwellers, the snow-covered Christmas car, the decorative deer or your mini winter cottage – all four 3D wooden building sets can be precisely and easily assembled. To do this, remove the motifs and frames from the wooden panels, and put all the parts together to make the box. You can use the motifs in any order you like.

**Your creation - nicely lighted up!**

The four kits, together with the fairy lights and the 3D effect foils, are an absolute eye-catcher. For this purpose, simply place the frame with bonded effect foil behind the motifs and attach the LED fairy lights to the rear wall. Turn the light on and the stars will start to shine just for you!

## Your story – in a box absolutely unique

Your box – your story! You can also assemble your own box individually. The frames out of the paper-mâché and wood determine the shape. Afterwards, you can decorate it, as you wish, with wooden motifs and craft material such as paint and light.

### Maximally individual

Small wooden elements with attention to detail or rather perfectly shaped messages? Make your dreams come true with effective small details. The lovely wooden motifs find their place within practical wooden card holder while the wooden typefaces, independently or combined, with star-shaped foils & LED fairy lights make a great team.

## Christmas decoration darlings

Branches, fir cones and the like from Rayher bring nature into your own home, and give the box a floristic touch. The natural colour shades allow calm to return and additionally, create a hyggelige atmosphere of well-being.

### Love for detail

Numerous floristic refinements give the nature scene of your dreams an unforgettable, captivating look. The mix of many diverse materials makes everything even more exciting and the finely detailed decoration ensures one thing above all else: real fun! The Christmas card hidden in the illuminated winter wonderland? There is no more creative way to convey Christmas messages.
