CANDLES AND PAPER FOR EACH DAY

WWW.RAYHER.COM

Now it's getting really personal

Your own pictures with all the beautiful memories cut a good figure on wedding-candles. Once on the transfer foil printed out with the laser printer, the motifs can be affixed in no time to the candles which allow the special moments to shine through the candlelight. The candles appear as if they were store-bought, but looking much more personal and their appearance being absolutely spotless.

Small details out of wax or paper in addition send out messages and provide an invaluable look.

Perfectly put into the limelight

The pictures printed on a transfer foil can be removed from the carrier paper by being briefly dipped into a water bath, then affixed to the candle. The final outcome: classy!

The great joy in celebrating with others!

The lovely candle for each day not only makes your life more beautiful, but also of the loved ones. The self-cast tea light candles and the DIY-boxes of the same colour scheme will become the stylish duo. With some transfer medium, it works even better, because motifs and messages can be both affixed onto paper as well as on the candle. The perfect opportunity full of creativity as a way to say THANK YOU.

Simply proceed as follows:

Print the motif or the message and coat the paper as well the candle with Chalky Finish transfer medium. Press on the motif and let it dry for one day. Thereafter, moisten it (1) and rub the paper gently off (2).

Joy easily brought

Your mum is the best one? Prove it to her with a nicely packaged candle, made by you! Or surprise your best friend with a safari-candle along with your latest holiday pictures. Limits? None are set to your creativity!

Apply stamps joyfully!

In the wide Rayher's range can be found for every occasion the corresponding stamp. It decorates not only papers with delicate or detailed motifs, but henceforth also candles.

Once the stamp with the StazOn ink-pad soaked, you alone will decide what to do next. Whether printed directly on the candle, on the transparent transfer-wax sheet or on the colourful wax sheets – each technique has its own incomparable effect.

Incidentally: the stamp print adheres well to the candles, therefore no varnishing is here necessary.

Let the stamp speak for itself.
There is no better way to say THANK YOU.

Easily redecorated

Transparent stamped ribbon banners can be easily mounted on LED-candles and replaced when necessary. This protects the candle and make it last longer.

Spackled in an artistic manner!

Colourful wax sheets are crying for a colour-intoxication with the wax-liners!

Stencils with various motifs help you to bring cool designs on the sheets without having any painting skills.

Just lay the stencil on and putty the wax from the wax-liner over it. Done!

Once the stencilled motifs dried out, the ornate wax sheets have to be pressed with warm hands onto the candles.

Green candle and green ribbons on the gift packaging – tone-on-tone shades fit perfectly.

When time is of the essence

Small wax-motifs can be affixed quickly on candles. This small present is really going to be nice by adding paper elements having with the appropriate stamp the same motif as the candle. Attractively packed is half the battle.

Wax-dreams in marble look

For these particular candles, the Marble Paint mottle dyes have to be dropped into a large container with water. Stir the paint with a stick and dip the candle into it. It's ready!
