WWW.RAYHER.COM

Customize your year as you please!

Your year is full of special moments and creative ideas - keep them preciously in "My Planner" with an extra dose of creativity.

Here is where your must-attend events change into happening, your to-do lists into adventure and your days & weeks come alive in the pages, as animated as life itself.

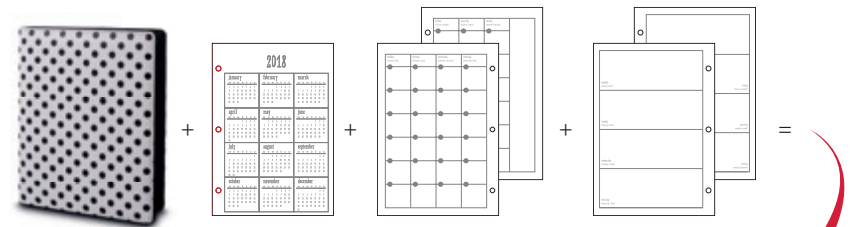

Thanks to "My Planner" get rid of boring scheduled appointments: turn your year into something colourful, unique, cool and fanciful.

While being creative, the same applies to your day-to-day life!

The choice is yours:

Take the planner that complies with you (1), fill it up regularly with the current annual overview (2) as well the monthly & weekly pages (3) of your choice and that is where it all starts: cool stickers, practical registry or colourful memos... the creative accessories (4) make the planner the perfect personal daily companion.

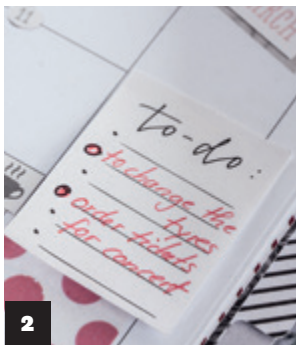

Creative and spontaneous as your life

Don't think twice, say YES to the planner! Thus, each day becomes an unforgettable experience, each month a genuine adventure and each year forthcoming pleasant memory.

To-Do's can be nice as well...

With sweet little Post-It notes (1), your planner looks even prettier and matching stickers (2) emphasize the most important details.

3

Each month has its special moments

Prepare a two-page spread for each month – it allows you to maintain always an overview. The pages are neutral in terms of style and the days, in line with each month, can be numbered with stickers (3). There are also pages with patterned frames (4) – the colours emerge in your life almost by themselves. Prepare yourself for nice events and schedule them already in the run-up for something extraordinary – so there will certainly be no boredom and nothing will be forgotten.

52 weeks full of zest for life

Even the weekly pages are maintained neutral, just open for your creativity.

The annual overview contains for each month current & corresponding sticker – just stick it on your weekly page (1) in order to avoid any confusion.

From now on, each of your days will be lovingly conceived and preserved as a marvellous memory thanks to these notes (2) and memories (3) forever.

All notes are not alike

There is much yet to be done with these empty pages: checklists, lists of new ideas, shopping lists, list of life dreams...

Your planner has enough empty pages at your disposal to give them some personality with your daily life.

Already sighted?

There are also note pages with patterned edges in various designs. This is where the diversity comes into play.

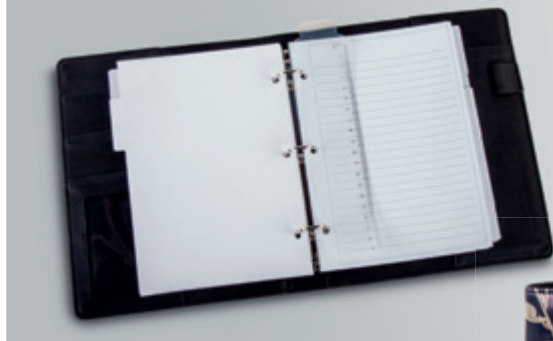

Plastic sleeves for special memories (1), great stickers for everyday use (2), cool self-adhesive index tabs for more attention (3) and many other awesome creative materials turn your plans into “My Planner”. Take a look at Rayher’s range, there you will find even more to highlight your day into something special!
