Instruction:

- 1** You can design the single block-bottom paper bags individually. Punch out stars from the glitter tape by means of the smallest motif-puncher or cut out strips from the glitter tape by means of the precision craft cutter.
- 2** The block-bottom paper bags can also vary in height. Make different folds – fold them only once or twice or make folds of different widths.
- 3** To close the paper bags, wrap the sisal twine 2 or 3 times around the upper fold-down rim and tie a knot in the loop.
- 4** Moreover, if you have several paper bags, you can punch two holes at the upper fold-down rim through which you have to string later the sisal twine and then tie a knot in the loop as a fastener.
- 5** Stick or attach the Advent calendar numbers.

TIPP: Before closing the decorated block-bottom paper bag, fill it with your surprise gifts.
