## Instruction:

- 1 Spray the matchboxes with the decorative spray, gold or silver.
- 2 After the matchboxes have dried well out, they can be decorated, e.g. with the Origami folding paper sheets, the glittered tape or the set of gift tags.
- 3 With the motif-puncher set Stars, you can punch stars out of different materials and decorate the matchboxes with them.
- 4 For the Advent calendar numbers, punch stars out of the white paper by means of the big motif-puncher Star that you can inscribe later with the black calligraphy pen.
- 5 Finally, arrange nicely the Advent calendar with the matchboxes on a tray or plate.
