You will find material specifications and instructions on our homepage.

Instructions:

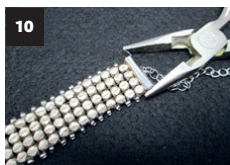

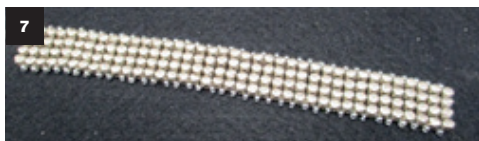

7 Repeat the 1st and the 2nd row until the desired length of the bracelet is reached. (38 rows at our model).

Tip Stitch up the beading thread back through the threaded beads and sew a new beading thread in.

8 Thread loose 2 Rocailles at a time over the Antique beads. For a better stability, thread 3-4 times through. Sew the thread end up.

9 Push the ribbon crimp ends over the Rocailles.

10 At the end, close it with flat pliers. Do the same for the other side.
