# Bracelet „SMILE“

### Used items:

- 89 569 02** Jewellery cord, 2 mm, white 50 cm  
**16 054 576** Plastic alphabet beads, 6 mm ø, black 5 pieces

### Additionally you need:

- 89 378 00** Craft scissors, 17 cm 1 piece

### Instructions:

- 1** For the bracelet, you need 50 cm of the jewellery cord. Thread the letters "SMILE" on the jewellery cord and push them into the middle.
- 2** Tie an overhand knot on the right and the left side of each alphabet bead (picture 1) in order to keep the alphabet beads in place.
- 3** Now bind the cord ends with a sliding knot (picture 2) and make sure that you can put your hand through the bracelet. Knot the cord ends once again and cut off the excess length.
