69 102 000 Motif punch set: Hearts

Strong paper about 15 × 10 cm

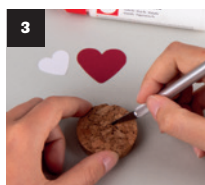

Instructions:

1 First make a funnel out of strong paper with an opening of about 2 cm. Then, insert the designed funnel into the glass jar and fill it almost half full with bath salts. Then make a layer of rose petals mixed with the remaining bath salts. To cap it all, put some rose petals on top.

2 Tie the organza ribbon decoratively around the glass jar and punch out two hearts from the white and red paper.

3 Now make two parallel slits in the cork lid by means of the precision craft cutter. Then insert the punched-out hearts into those slits and affix them with some glue.

4 Finally, close the filled glass jar with the cork lid.
