Grey cotton apron
“King of the kitchen”

Used items:

38 349 562	Cotton apron, blank, graphite-grey	1 piece
45 120 000	Stencil „King of the kitchen“ A5	1 piece
38 500 102	Textile dye, white	1/15 bottle
38 509 620	Metallic textile dye, brill.gold	

Additionally you need:

38 024 000 Cleanser for paintbrushes & stencils
Sponge and water to clean the stencil
Cardboard as stencil underlay
Paper towel
Tea towel

Instructions:

1 Wash the cotton apron at 30°C without fabric softener. Press the apron flat before you start stenciling.

2 Put the apron flat on a solid surface. Underlay the apron with a cardboard at the spot where the motif will be applied. Remove the backing paper from the stencil “King of the kitchen” and place it centrally at the chest height of the apron and press it slightly on.

3 Apply the white textile dye and the brilliant gold metallic textile dye above and along the motif, and stencil it with the squeegee scraper according to the instructions on the packaging.

4 Then carefully remove the stencil from one side of the fabric, and clean it immediately with a sponge under running water and the cleanser for paintbrushes & stencils.

TIPP: Dry the stencil at best with a tea towel and put it back on the backing paper. This will protect the stencil and allow you to use it repeatedly.

5 Let the designed apron to dry well out before use.
