Cotton bag with a white apple

Used items:

38 341 562	Drawstring gym bag, blank, slate gray	1 piece
45 131 000	Paper template Fruits/Diamond	1 piece
38 524 102	Textile dye, white	1/30 bottle

Additionally you need:

37 304 000	Stenciling paintbrush, round
34 014 000	Adhesive spray, non-permanent

Cardboard

Instructions:

- 1** Put a piece of cardboard in the pre-washed (without using fabric softener) and then ironed cotton bag at the spot where the apple should be stencilled.
- 2** Spray the rear side of the paper template with the non-permanent spray adhesive. Allow the template to flash off briefly and place it by pressing on evenly.
- 3** Apply the white textile dye evenly by means of the stenciling paintbrush. Immediately remove the template. The template can be used several times.
