Additionally you need:

Mixing vessel, poss. sandpaper, scissors, paintbrush

Instructions:

- 1 Mix the white Raysin casting powder with water according to the instructions given and fill the casting mould with the resulting casting compound. After 120 minutes drying time, demould the eggs. Let them dry thoroughly.
- 2 Paint five wooden eggs and three Raysin eggs with Allround Paint acrylic paints. For a pastel shade, just add a little white paint to each Allround Paint acrylic paint. Allow to dry thoroughly.
- 3 Cut eight 25 cm long pieces from the cord of the wooden egg set which will be used as suspension cords.
- 4 And to finish off in style, glue the wooden bunnies decoratively in/on the egg.

*Without drying time
