# Chalky Finish Deco frames

[WWW.RAYHER.COM](http://WWW.RAYHER.COM)

## Used items:

### Deco frame, square:

- 62 588 000** MDF Photo frame
- 38 867 390** Chalky Finish, lagune
- 38 867 432** Chalky Finish, jade
- 38 870 702** Chalky Finish cream wax

### Deco frame, oval:

- 62 589 000** MDF photo frame, 19 × 14 × 1, 5cm
- 38 867 566** Chalky Finish, blue-grey
- 38 867 102** Chalky Finish, white

### Additionally you need:

- 37 044 000** Synthetic wide brush, bevelled

## Instructions:

- 1 Prime the photo frames with the Chalky finish lagoon or rather blue-grey.
- 2 For the powdery "Patina-look" mix the Chalky finish jade or white and the cream wax on proportions 1:1.
- 3 Apply the mixture with a brush on the surface and immediately wipe it off with a clean fuzzy free fabric.
- 4 In the depressions there may stay more of the cream wax. So you achieve the desired patina look.
