44 005 02	Yarn, 3.7 mm ø	11.7 m
46 452 000	Mirror plate, 15 cm ø	1 piece

Additionally you need:

21 159 02	Pin-head for beads
89 537 00	Scissors for fabric
89 010 00	Frame hanger
33 487 000	Glue Fix pen

Hair lacquer

Instruction:

- 1 Cut about 65 pieces of yarn with a length of 18 cm. Lay the 18 cm long piece halfway and set the loop under the metal ring.
- 2 Then thread both ends through the loop and pull the knot as taut as you can on the metal ring.
- 3 Now tie down all the remaining parts of yarn consistently even to the ring until it is fully wrapped. You are dealing here with about 65 pieces. The easiest way to fray the ends of yarn is with a large needle.
- 4 Use the hair lacquer to fix the threads placed in shape. (Let them dry well out and spray them from the back, so that the fringes remain stiff when hung).
- 5 Now cut the fringes evenly in a circle.
- 6 Use the Glue Fix pen to stick the ring onto the mirror. Affix the picture hanger to the rear side of the mirror by means of the Glue Fix pen.

The mirror can also be put in the limelight lying on a table or sideboard.
