Instructions:

- 1 Cut the brick to size with the craft cutter, so that after insertion into the paper bag it is placed about 1 cm from the upper edge.
- 2 Spread some craft glue on the upper surface of the brick and sprinkle sand over it.
- 3 While the craft glue and the sand are still wet, insert the column and prickly pear cacti into the brick.

- 4 At the end, place the deco-lava stone, the deckchair and the polyresin cacti and let them dry well out.
- 5 Cut an arrow out of the scrapbooking paper.
- 6 Wrap the paper sack over with yarn and fasten the banknote and the arrow.
