Instructions:

- 1** Fold the 16cm x 8cm large cutting in the middle at a small card.
- 2** Stick the cutted-out, sel-adhesive cork paper centrally on the front side, punch a hole at the top left by using the ticket puncher and thread about 30 cm the satin ribbon through.
- 3** Punch a circle out of the craft cardboard glitter by using the bigger motif puncher and stick it centrally onto the cork paper by using the double-sided adhesive tape.
- 4** Punch a circle out of the metallic paper by using the smaller motif puncher and emboss the motif with the aid of the stamp, the ink-pad, the embossing powder and the heat gun.
- 5** Finally, stick the motif onto the glitter-circle via the spacing strip.
