WWW.RAYHER.COM

Small sphere

Used items:

- | | | |
|-------------------|---------------------------------------|--------------|
| 56 873 000 | Glass sphere, 6 cm ø | 1 piece |
| 38 866 102 | Rayher Chalky Finish for glass, white | 1/18 bottle |
| 39 420 610 | Glitter extra fine, silver | a little bit |
| or | | |
| 39 420 620 | Glitter extra fine, gold | a little bit |
| or | | |
| 39 420 640 | Glitter extra fine, brilliant cooper | a little bit |
| 55 216 02 | Organza ribbon, white | 1 meter |

Additionally you need:

- 89 476 00** Sandpaper set assorted (120)
38 434 00 Sponge stamp

Instructions:

Single colour application: Dap the Rayher Chalky Finish for glass with the sponge stamp on the glass sphere and intersperse the glitter in the wet colour. Afterwards let the sphere dry very well (1-2 hours). Then you can sand the sphere with the sand paper. The colour can be fixed in the oven (see label). Hang-up the glass sphere with an organza ribbon.

Big sphere

Used items:

- | | | |
|-------------------|---|-------------|
| 56 872 000 | Glass sphere, 8 cm ø | 1 piece |
| 38 866 102 | Rayher Chalky Finish for glass, white | 1/24 bottle |
| 38 866 807 | Rayher Chalky Finish for glass, light topaz | 1/12 bottle |
| 55 215 02 | Organza ribbon, white | 1,50 meter |
| 55 157 22 | Lurex ribbon | 0,80 meter |
| 55 626 508 | Cotton-Border „Jasmina“ | 0,80 m |

Additionally you need:

- 89 476 00** Sandpaper set assorted (120iger)
38 434 00 Sponge stamp

Instructions:

Two-tone application: Simple basic technique for the vintage look. Dap the Rayher Chalky Finish for glass light topaz with the sponge stamp on the glass sphere. Let the sphere dry. Now dap on lightly the second colour white with the sponge stamp, so you can reach a structural effect. Afterwards let the sphere dry very well (1-2 hours). Then you can sand the sphere with the sand paper. The colour can be fixed in the oven (see label). Decorate and hang-up the sphere with ribbons.
