# Glass vase with Chalky Finish

[WWW.RAYHER.COM](http://WWW.RAYHER.COM)

### Used items:

- 56 928 000** Glass vase, faceted, 11,5 × 11,5 × 13 cm
- 38 866 558** Chalky Finish for glass, stone grey
- 38 866 102** Chalky Finish for glass, white
- 38 866 270** Chalky Finish for glass, powder pink
- 33 398 00** Double-sided adhesive tape, 6 mm
- 38 434 00** Sponge stamp

### Instructions:

- 1 Before designing, clean the vase with detergent.
- 2 Glue several geometric surfaces using the double-sided adhesive tape.
- 3 Imbue the painting sponge with the Chalky Paint for glass and dab by covering evenly the fields into respective three shades colour.
- 4 After a short drying period pull the adhesive tape off.
- 5 After 4 days of drying time, the color is so hardened that you can fix it in the oven according to the instructions on the label. Thereafter, the vessel is dishwasher safe.
