Glow like a Star.
A great decoration that not only
delights at night.

Used items:

Glass bottle with stars & string lights:

46 344 000	Glass bottle with cork lid, 8 cm ø	1 piece
69 144 000	Micro LED string lights with wire	1 piece
45 130 000	Paper template Star	1 piece
35 040 000	Ultimate Glow in the dark	1/10 bottle
35 041 210	Glow In The Dark, orange	1/50 bottle
35 041 416	Glow In The Dark, apple-green	1/10 bottle
35 030 000	Liner screw tip	1 piece

Additionally you need:

Water-soluble felt tip pens
2 batteries CR2032

Instruction:

- 1 Clean the glass bottle with water and dishwashing detergent.
- 2 Draw the stars by means of a water-soluble light-coloured felt tip pen and the paper template.
- 3 Fill the inner surface area of the stars with the orange and apple-green Glow In The Dark colours using the liner tip.
- 4 Set dots in the lower area with the apple-green Glow In The Dark liner tip. These apple-green dots should intermingle with the neutral Ultimate Glow dark dots as they reach the middle to result into a good intersection.
- 5 Let the ink dry well out and insert the string lights into the bottle.
