7 Thread 8 rows in total.

8 Sew the both ends together, thread thereby successively 2 Rocailles at the outer side and 1 Rocaille successively between them.

9 Cut the gold leatherette strap (4 × 50 cm) and the anthracite one (4 × 50 cm) to size by means of the scissors. Hold the ends flush and fix them with some wire.

10 Now, thread your beaded jewellery up and lay the necklace round. Fix the ends with wire, cut the rest off. At the end, affix the ends into the magnet clasp with some glue for jewellery and let it harden for 12 hours.
