Wooden postcard „Smile“

Used items:

62 843 505	Wooden postcard, FSC100%, natural	1 piece
89 366 000	Wood burning pen in a wooden box	1 piece
35 023 258	Glaze, pinkish	1/30 bottle
67 288 000	Transfer paper with templates „Statements“	1 piece
38 241 00	Painting sponge	

Additionally you need:

Fireproof mat
Aluminium foil
Kitchen roll
Ballpoint pen

Instructions:

- 1 Prepare the motif in the desired size.

Place your motif on the postcard and transfer it by using the transfer paper and a ballpoint pen.

- 2 Burn the motif with the wood burning pen.

Then apply the desired glaze to the wooden postcard with the damp painting sponge.

- 3 At the end, use a damp painting sponge to wipe the excess glaze from the motif.

Let it dry out.
