2 Glue the hair curls at the middle of the head. Glue the cotton lace border at the neck and the "hem" of the painted dress by means of the hot glue. Glue the wings out of feathers at the back also by means of the hot glue.

3 At the end, decorate the painted surface with the self-adhesive half-beads by means of tweezers.

4 Put the finished angel on a decorated paper bag, attach it to an envelope or use the angel for the Advent calendar.
