73 113 521	Card A4, kraft, FSC Recycled Credit	1/8 sheet
30 071 000	Double-sided adhesive tape, extra strong	

Additionally you need:

Rechargeable hand drill

Instruction:

- 1 Cut the scrapbooking paper to size that fits the frame and stick it inside the frame by means of the double-sided adhesive tape.
- 2 Drill three holes into each side of the wooden frame, pull the yarn tightly through the holes and tie a knot.
- 3 Now you can insert the test tubes between the stretched yarns.
- 4 Make a tassel from the remaining yarn and attach it to one of the stretched yarns with a wooden clothes peg.
- 5 Stamp the kraft paper and shape the "tag" with the motif puncher. After that, hang it on the stretched yarn.

Now you can decorate the test tubes with dried flowers, herbs or cut flowers to your liking.
