Wooden ring Eucalyptus

Used items:

62 911 505	Set of wooden boards/rings, FSC Mix Cred., natural	1 piece
55 798 000	Eucalyptus twig	1 piece
55 809 000	Cotton twigs, 5.5 cm ø	1 package
55 216 02	Organza ribbon, white	60 cm

Additionally you need:

89 384 00	Titanium scissors
33 364 00	Hot melt glue gun

Instructions:

- 1** Affix the eucalyptus twig by means of the hot melt adhesive to the lower half of the larger wooden ring (24.7 cm ø). Then stick two cotton flowers onto the twig.
- 2** Glue the twigs to the smaller wooden ring (18.9 cm ø) and the cotton flower to the upper, lateral half of the wooden ring.
- 3** Arrange the wooden rings according to the photo.
- 4** Now glue both wooden rings together with the hot melt adhesive at the upper, overlapping spot.
- 5** Tie a loop with the organza ribbon to hang it up.
