38 000 408	All Purpose paint, mint-green	
33 364 000	Hot glue gun	
38 241 000	Paint-sponge	

Instructions:

- 1 Mix the blue-green and the mint-green All Purpose paints, and smear this mixture on the wooden lettering "Winter Wonderland".
- 2 Once the painted script has dried out, you can spread some Quickie-Glue adhesive onto it and sprinkle some brill.silver ultra-fine sequins on.
- 3 Stick the painted wooden lettering "Winter Wonderland" onto the natural halved log by means of the hot glue.
- 4 Now, you can glue the decorative fir tree covered with snow, the larch cones, the vines and the small star-shaped wooden parts onto the wooden log by means of the hot glue.
- 5 At the end, adorn the wooden lettering "Winter Wonderland" and the wooden log with the Snow-Pen, and you can mask that way the visible hot-melt areas.
- 6 Sprinkle the brill.silver ultra-fine sequins into the still wet snow.
