## Instructions:

- 1 Stamp the transfer wax sheet by means of the clear stamp block and the motif. Let it dry well out.
- 2 Press the stamped wax sheet onto the candle with warm hands. You can also use a hair dryer to warm up the candle and the back of the shaped wax sheet.
- 3 Cut afterwards a strip about 3cm wide out of the card.
- 4 Stamp the cut-out card strips with the stamp, put it as a border around the candle and affix it with the double-sided adhesive tape.
- 5 At the end, you can even more decorate your candle with for e.g. a heart cut with a cookie cutter out of the kneading-cement, and wrap the candle with the natural raffia and cord around.
