Small wooden tray

Used items:

62 648 000	Wooden Tray, FSC Mix Credit	1 piece
38 885 000	Chalky Finish, Blocker	1/15 can
38 867 102	Chalky Finish, white	1/30 can
38 867 408	Chalky Finish, mint-green	1/15 can
38 867 154	Chalky Finish, vanilla	1/20 can
38 945 000	Set of templates 2, A5	1 piece
37 044 000	Synthetic wide brush bevelled	1 piece
38 434 00	Sponge stamp	1 piece

Instructions:

- 1** Spread the Chalky blocker over the entire wooden tray. Let it dry for 5-7 days.
- 2** Paint the inner sides with the mint-green Chalky paint. Let it dry well.
- 3** Then lay down the template on the outer sides and apply the vanilla Chalky paint on by using the sponge stamp. The attachment points of the template should merge into one another. Let it dry well.
- 4** At the end, paint carefully the visible edges with the white Chalky paint.
- 5** For decoration, you can use a small can, for example (67 159 102 out of papier-mâché).
