Instructions:

Creative-soap

- 1 Melt 40g of soap in a water-bath at 60° C.
- 2 Lay the label into the casting mould.
- 3 Stir a drop of a purple soap colour in the liquid soap.
- 4 Now, you can fill the casting mould with the liquid soap by means of a spoon.
- 5 Let the soap harden well, before demoulding it (about 3-4 hours).

6 Once the soap demoulded, wrap it at best into a cling foil.

7 The longer the drying of the soap (ripen), the better (4-6 weeks).

Wrapping

- 8 Wipe the box by means of the foam stamp and the may green Chalky Finish paint.
- 9 Stamp the white paper and punch it all around with the motif punch.
- 10 Punch out of the craft paper a circle with deco-border.
- 11 Stick together the two punched circles. The, stick it centrally onto the box cap.
- 12 Around the cap's border, stick the cotton lace ribbon with the special double-sided adhesive tape.
