<b>85 470 000</b>	Deco-feather / zebra pattern	1 piece
<b>60 397 000</b>	Washi tape – snowflakes	0.35 m
<b>59 925 102</b>	Glitter tape white	0.20 m
<b>69 013 000</b>	Motif-puncher: Snowflake	1 piece

## Additionally you need:

<b>37 103 00</b>	Flat brush
<b>33 406 00</b>	Craft glue
<b>89 378 00</b>	Craft scissors
<b>27 285 00</b>	Craft knife
<b>33 376 00</b>	Mini hot glue gun

## Instructions:

- 1 Paint the inner circle of the base with the snow-white All Purpose paint. Let it dry well.
- 2 Release carefully the single elements of the wooden building kit at the bridging bar by using a craft knife. Stick together the single parts with a craft glue and let them dry well.
- 3 At the end, paint the roof, the base plate and the trees with the snow-white All Purpose paint and strew the glitter into the wet paint. Let them dry well.
- 4 Glue the cottage, the trees and stars onto the painted base with the mini hot glue gun.
- 5 Stamp the snowflakes out of the self-adhesive glitter tape by using the motif-puncher and disperse them on the upper part of the plastic dome.
- 6 Glue the washi tape Snowflakes as a border around the plastic bell cover and put the dome on the decorated base. You can put the remaining stars with a feather as a decoration on top of the dome.
