# Long wooden tray

### Used items:

<b>62 688 000</b>	Wooden tray, FSC 100%	1 piece
<b>39 342 508</b>	Granulate, beige	1/3 pack
<b>33 407 00</b>	Craft glue	some
<b>85 004 11</b>	Iceland moss, light green	1/3 bag
<b>55 734 000</b>	Vanilla Grass to insert	3 pieces
<b>55 735 000</b>	Mini box tree branches	2 pieces
<b>85 288 000</b>	Pinien-Scheiben rund	4 pieces
<b>86 255 00</b>	Metallic/wood garden tool	2 pieces
<b>46 072 000</b>	Wooden garden cart	1 piece
<b>33 364 00</b>	Hot glue gun	
<b>89 378 00</b>	Craft scissors	
<b>37 104 00</b>	Flat brush	

### Instructions:

- 1** Coat the inner side of the tray with a craft glue by using the flat brush and scatter the granulate across the tray. Let it dry well.
- 2** Affix the decorative plants (iceland moss, vanilla grass and mini box tree branch) at the right and left corner of the tray by means of the hot glue.
- 3** Place the wooden garden cart centrally and affix it also with the hot glue.
- 4** Now, decorate the tray and the garden cart with pine-slices and the garden tools that have to be affixed with glue.
