## Instructions:

### Bead chain with Disc pendant (necklace 1)

**1** To hang up the Disc pendant, you need 1 small round ring with a diameter of 4.6 mm. Open the small ring by means of the two flat round pliers. Hold the small ring firmly with one of the flat round pliers while the slot of the small ring is pointing upwards.

**2** Now open the small ring backwards with the second pair of pliers. Hang up the Disc pendant and the link chain. Close the small oval ring with both pliers.

### Link chain with Leaves (necklace 2)

**1** To hang up the various pendants, you need 1 small oval ring for each. Open the small oval ring by means of the two flat round pliers. Hold the small ring firmly with one of the flat round pliers while the slot of the small ring is pointing upwards.

**2** Now open the small ring backwards with the second pair of pliers. Hang up one small Disc pendant and the link chain centrally. Close the small oval ring by means of both pliers. Hang up also the 4 leaves at a distance of about 2 cm between them.

### Bead chain with Bird (necklace 3)

**1** To hang up the pendant, you need 1 small oval ring of 0.8 mm. Open the small ring by means of the two flat round pliers. Hold the small ring firmly with one of the flat round pliers while the slot of the small ring is pointing upwards.

**2** Now open the small ring backwards with the second pair of pliers. Hang up the Bird pendant, the large and the small flat rings onto the link chain. Close the small ring with both pliers.
