A vertical advent calendar is displayed against a white background. At the top, a green floral garland with eucalyptus leaves and small white flowers hangs over the calendar. The calendar consists of a central vertical metal ring with 24 numbered compartments. Each compartment contains a small gift, such as a white drawstring pouch with a circular number label (1, 3, 7, 14, 16), a small silver box, or a small white container. The numbers 1, 3, 7, 14, and 16 are clearly visible on the pouches.
