------------------	----------------	---------

Instruction:

2 pieces of Washi tape, pink	approx. 50 cm each
2 pieces of Washi tape, pale pink	approx. 50 cm each
2 pieces of Washi tape, shiny pink	approx. 50 cm each
1 piece of Washi tape, shiny pink	approx. 14 cm

- 1 First stick the pale pink Washi tape onto the pink Washi tape and stick them together across the ring in a taut manner.
- 2 Then stick the other Washi tapes, as shown in the picture, in sequence, across the ring in a taut manner so that the ends are glued overlapping behind the ring.
- 3 Now punch out your photos and the tinted cardboard with the different sized motif punchers. Then put the tinted cardboard circles behind the punched out photos to establish a great contrast.
- 4 Now attach carefully your photos to the Washi tape by means of the binder clips.
- 5 Finally, use the short piece of the shiny pink Washi tape and a binder clip to attach the suspension hook to the ring.

TIP: You can always reframe the metal ring with new photos.
