

CRAFTING IDEA

Metallic message plate with transfer foil

Used items:

25 118 000	Vintage metallic message plate	1 piece
31 572 000	Transfer foil A4	1 piece
55 352 102	Paper cord, 1,2 mm ø, white	75 cm
46 227 606	Metallic decorative pendant Heart, 2,5 cm ø, silver	1 piece

Additionally you need:

69 133 000	Paper cutter 2 in 1
89 378 00	Craft scissors
Laser printer or laser copying device	
Soft cloth	

Instructions:

- 1 Print out the motif the right way up onto the glossy side of the transfer foil.
- 2 Cut the printed motif at your fancy and dip it into lukewarm water for about 30–60 seconds until the release paper begins to detach from the foil. Move after the motif from the release paper to the vintage metallic message plate.
- 3 You can dab water drops or smooth the folds out with a soft cloth. The motif can be easily slid and corrected in the first minutes. The drying time is about 6 hours, preferably overnight.
- 4 To make a hook, twist twice the piece of paper cord to one strand and tie it firmly onto the holes. The metallic decorative pendant Heart, you can tie firmly with a bow onto one side.
