**Additionally you need:**

33 487 000	Glue Fix pen
38 241 00	Painting sponge
Paintbrush	

Instructions:

- 1 Paint the floor pad in green. It is best to use a painting sponge for this.
- 2 Paint the tree leaves in different shades of green using the paintbrush. You can mix the acrylic paints to your liking. Paint also the ladder and the garden hose holder. Allow everything to dry thoroughly.
- 3 Glue the tree and loose leaves on the floor pad, and the birds on the tree.
- 4 To hang the swing, cut the cord in half, let both cords hang loosely on a branch, then thread them through the holes in the swing and tie a knot in each cord, underneath the swing.
- 5 Decorate the mini garden with the accessories for miniature worlds and some moss.
