Instruction:

- 1 Paint the lid of the chip box with the white All Purpose paint. Design the wood doll cones to look as much like your family members as possible.
- 2 If you need a template for the lettering, you can create one on your computer and print it out. Then transfer it to the lid using transfer paper and paint the lettering by means of the paintbrush.
- 3 Draw and paint the hearts free-hand along the edge of the box lid with a matching paintbrush from the set.
- 4 To wrap the family you have drawn as a Mother's Day gift inside the chip box, use a tissue paper or wadding.
