85 108 02	Decorative feather	approx. 5 pieces
85 117 01	Feather mix	approx. 10 pieces

Additionally you need:

30 069 000 Special double-sided adhesive tape
Paintbrush, scissors, hot-melt glue, pencil

**Instructions:**

- 1 Fold the upper part of the paper bag. It must be folded in a slanted manner, ensuring that the side walls are folded back outwards.
- 2 Paint the block-bottom bag with the acrylic paint. Use different patterns, such as chicken footprints or feathers. Let it dry well out.
- 3 Cut out the comb and the wattle from the red cardboard, and the beak from the yellow one.
- 4 Draw the eyes using the black acrylic paint. Then, draw a white light spot on each eye using the white acrylic paint. Glue the cuttings on using the double-sided adhesive tape and the feathers using the hot-melt glue. Tie a ribbon around the bag.
