Red bath salt

GB

Used items:

46 126 000	Glass jar w. cork lid, 4.5cm ø	1 piece
34 222 000	Bath salt	180 g
34 246 287	Soap-colour, classical red	4 drops
55 762 000	Deco-ribbon Snowflakes	16 cm

Additionally you need:

61 217 31	Craft sticks
89 378 00	Hobby scissors

Plastic container

Instructions:

- 1 Mix the bath salt in a container in which you add dropwise the colour and stir all with a craft stick.
- 2 You can dye at best the bath salt by shaking the salt with the colour. Therefore, you need a jar with lid. Dose the soap-colour sparingly out.
- 3 Pour the salt by using a paper funnel.
- 4 At the end, stick the deco-ribbon Snowflakes around the glass jar.
