GB

# Snowflake, natural

## Used items:

<b>42 009 104</b>	Braided Recycling yarn, braided, 2 mm ø	1 reel
<b>15 382 606</b>	Decorative ring, metal, flat, 20 mm ø	1 piece
<b>34 504 000</b>	Textile strengthener	1 piece

## Additionally you need:

<b>89 537 00</b>	Fabric shears
<b>37 047 000</b>	Brush set Kindergarten+school, FSC 100%
<b>21 159 02</b>	Pearlized head straight pins
<b>62 113 00</b>	Cork disc, 20 cm ø
	Aluminium foil
	Cardboard

## Instructions:

- 1 Cut out 16 × 0.50 m of Braided recycling yarn.
- 2 Lay the yarns twofold and pull the closed end through the metal ring. Pull the ends of the yarn through the resulting loop. Attach all strands to the decorative ring.
- 3 Pin the decorative ring to the cork base by means of the pearlized head straight pin.
- 4 With 4 cords, tie a reef knot. 2 reef knots under each other and 8 next to each other.
- 5 Then tie together half of each of the two knots with reef knots and do not tighten them too tightly.
- 6 Finally, tie together the half of the two knots with reef knots again. Do not tighten them too tightly.
- 7 Finish with half a reef knot and complete the row.
- 8 Now cut the cords off, except for 2 pieces, which are later used to form the hanger. Put the snowflake on the cardboard with aluminium. Then coat the snowflake with the textile strengthener. Allow to dry thoroughly out.
