89 380 00	Craft scissors
33 397 00	Glue for jewellery

Instructions:

- 1 Thread 1.60 m of thread in a needle for beads, slide it into the middle and knot the two ends.
- 2 Thread the silver-opaque glass faceted beads of 3mm at the length of 44 cm. Cut the thread at the needle off, and tie the two ends with a safety knot. Put some glue onto the knots.
- 3 With the 3 other bead types, thread for each type the strands at the length of 44 cm and tie them up.
- 4 Hang the Monstera leaf onto the wide small ring.
- 5 At the end, hang the strands onto your index finger, twist them gently together, hang them with the Monstera leaf onto the chain lock Clip and close it.
