

CRAFTING IDEA

GB

Eerily nice, eerily colourful.
Creative storage of your pens.

Used items:

69 251 000 XXL mega craft box

Additionally you need:

89 378 00 Craft scissors, 17 cm

89 079 00 Bone folder

89 288 00 Aluminium ruler 30 cm

Instructions:

Yellow pencil box

- 1** First cut a 20 × 20 cm square from the yellow cardboard.
- 2** Use the template no. 12 to trace and cut out the mouth.
- 3** Then fold the dotted lines by means of the bone folder.
- 4** Now also fold diagonally from each corner along the black line.
- 5** Now you can fold together the box into a cube, but fold the folded line from the corners in the opposite direction. Now you can affix the corners on the inner side by means of the craft glue.
- 6** Cut out the teeth from the white cardboard and stick them on with some glue.
- 7** For adornment, you can apply the craft glue to the desired spot and then sprinkle it with glitter dust. Allow to dry well out.
- 8** Then glue on the eyes. Finally, cut out several pieces of the yellow chenille wire and glue them firmly on the inner side.

TIP:

- Do the same for the red and blue pencil boxes.
