## Instruction:

**1** For an earring, wrap 3 m black cotton yarn around two fingers and pull a wire through the middle.

**2** Twist, pinch off and flatten the wire.

**3** Cut the loops open.

**4** Pluck the yarn evenly to a half moon and insert it in a half-moon clamp. Close the clamp by means of the flat pliers with plastic jaw. Press firmly.

**5** Cut the yarn coarsely and divide the threads up by using the blunt needle. Then cut them into shape.

**6** Finally mount as follows: open a small ring with the flat pliers, hang a small flat ring in the half-moon clamp and close the small ring. Open an earring hook and hang in the flat ring as well the metallic disc pendant and close the earring hook.

Create the other earring in the same way.
