

HANDICRAFT TIP

Let's get creative together.
By designing colourful kitchen
utensils.

Used items:

- 35 013 000** Set of fabric paint pens, thick tip about 1/5 each pen
- 38 336 00** Pot holder, quadratic, white 2 pieces
- 38 338 00** Oven glove, white 1 piece

Additionally you need:

- 43 004 999** Felt motif mix Star, self-adhesive, colourful

Instructions / design tips:

Pot holder:

1 The colourful felt stars are self-adhesive and are great for children to use them as templates. To do this, place the stars on the fabric and trace their outlines using a fabric paint pen.

2 First trace all the outlines, then colour in the stars.

Unique designs are created by letting children's imaginations run wild. Here concretely, a cute dwarf emerges.

Oven glove:

1 Create the oven glove by painting at first the bee bodies with the yellow fabric paint pen. Let the paint dry well out.

2 When the paint is no longer wet, you can draw black stripes, the face and the heart-shaped wings on the bees by means of the black fabric paint pen.

3 Decorate further the glove with flowers, dots and other ideas that come to mind.

Advice on fabric paint pens:

The fabric paint pens are easy to use and their paint does not need to be fixed. The painted fabric can be washed at 30 degrees after 48 hours.
