## Additionally you need:

**89 378 00** Craft scissors  
Crochet hook thickness 10 - 12 mm  
Sewing needle and thread, hole punch pliers, Phillips head screwdriver

## Pattern used:

### DOUBLE CROCHETS

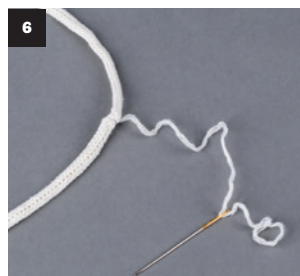

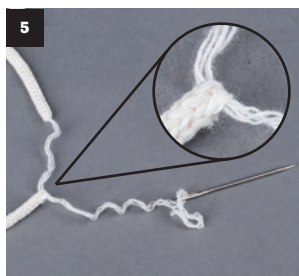

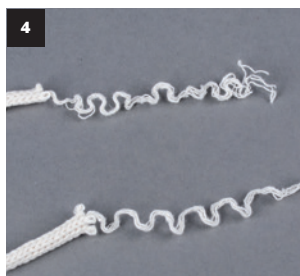

Work in spiral rounds, i.e. do not close the round with 1 slip stitch, but simply continue working.

### CROCHET KNIT STITCH

Work double crochets, but do not work around the stitch on top, always stick the needle between the two V-shaped back loops of the previous round. Work in spiral rounds, i.e. do not close the round with 1 slip stitch, but simply continue working (Fig. 1-3).

**TIP:** when changing the clew, sew the ends of the yarn together with the sewing needle and thread (Fig. 4-6).

## Instruction:

Start with the bottom.

**1<sup>st</sup> rd** Crochet 8 double crochets around an adjustable thread ring (Fig. 7-11). Pull the ring by making it smaller as you tighten the end of the thread (Fig. 12). From now on, work with **CROCHET KNIT STITCH** in spiral rounds, i.e. do not close the round with 1 slip stitch, but simply continue to work. Mark the beginning of the round, carry with the marking further on.

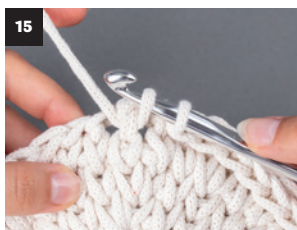

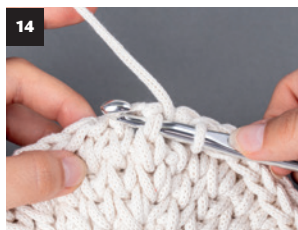

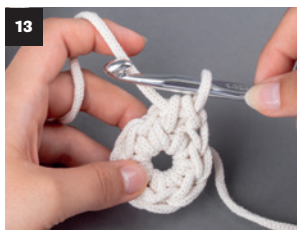

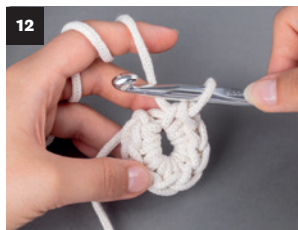

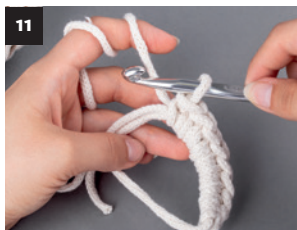

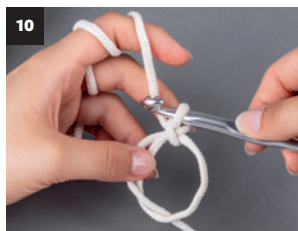

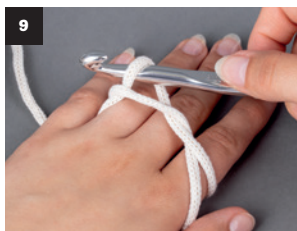

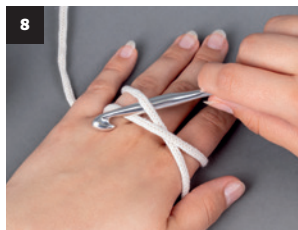

**2<sup>nd</sup> rd** Work 2 double crochets in each double crochet of the previous round = 16 double crochets result (Fig. 13).

**3<sup>rd</sup> rd** \* 1 double crochet, 2 double crochets in 1 stitch, work from \* 8 times = 24 double crochets result.

**4<sup>th</sup> rd** \* 2 double crochets in 1 stitch, 2 double crochets, work from \* 8 times = 32 double crochets result.

**5<sup>th</sup> rd** \* 3 double crochets, 2 double crochets in 1 stitch, work from \* 8 times = 40 double crochets result.

**6<sup>th</sup> rd** \* 2 double crochets in 1 stitch, 4 double crochets, work from \* 8 times = 48 double crochets result. Close the round with 1 slip stitch in the 1<sup>st</sup> double crochet.

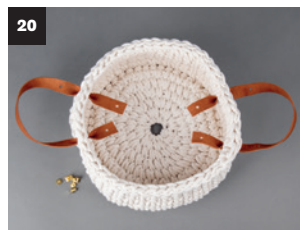

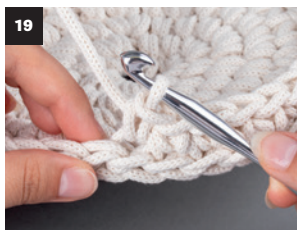

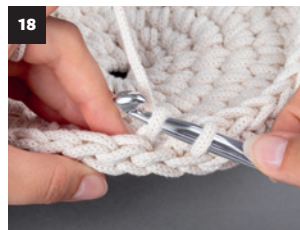

**7<sup>th</sup> rd** 48 slip stitches by working **around the stitches** of the previous round (Fig. 14-16). Close the round with 1 slip stitch in the 1<sup>st</sup> slip stitch.

#### BASKET WALL

**8<sup>th</sup> rd** Work 48 double crochets by working only around the back chain stitches of the 6<sup>th</sup> round (Fig. 17-19).

**9<sup>th</sup> to 16<sup>th</sup> rd** Work 48 double crochets in **CROCHET KNIT STITCH**. Close the 16<sup>th</sup> round with 1 slip stitch in the 1<sup>st</sup> double crochet to close the round.

**17<sup>th</sup> rd** 48 slip stitches by working **around the stitches** of the previous round. Close the round with 1 slip stitch in the 1<sup>st</sup> slip stitch. Cut the thread and sew on the inside.

#### FINALISATION

Cut two pieces 40 cm long from the leatherette strap. At a distance of about 1.5 cm and 11 cm from each end of the strap, punch 1 hole by means of the hole punch pliers (size depends on the screw). Pull the ends into the 16<sup>th</sup> round with 5 stitches apart while avoiding twisting the strap (Fig. 20).

Insert the screws into the holes and tighten. Sew on the label with the sewing needle and thread.
