Instruction:

Folding box with tree

- 1** Fold up the folding box „House“.
- 2** For the roof, cut out a rectangle measuring 12 cm × 7.5 cm from the red craft paper. Fold this rectangle in the middle and stick it to the top of the folding box with the paper glue.
- 3** Wrap the yarn 3 times around the house and knot it on the front side.
- 4** Use the cutting template to cut out the individual pattern pieces and glue them to the folding box with the paper glue.

TIP: You can make the little red dots for the tree using a hole punch and the red craft paper.

Folding box with star

- 1** Fold up the folding box „House“.
- 2** For the roof, cut out a rectangle measuring 12 cm × 7.5 cm from the red craft paper. Fold this rectangle in the middle and stick it to the top of the folding box with the paper glue.
- 3** For the red sleeve, cut a strip measuring 4 cm × 29.5 cm and a strip measuring 4 cm × 7 cm from the red craft paper and glue them around the house. Wrap the red yarn once around the red sleeve.
- 4** Cut out the star from the metallic gold crush paper.
- 5** Poke a hole at the tip of the star, e.g. with a pin, and thread the red yarn through it. Thread the red wooden bead onto it. Now you can attach the tag to the roof of the house.
