- 3 Finally, glue on the two Reindeers designed with the Glitter-Glue by means of the 3D adhesive squares, and decorate the card with 4 golden adhesive motives Stars. Punch out of the kraft-coloured card two more stars and design them also with the Glitter-Glue. Glue the two paper stars on the card with the 3D adhesive squares.
- 4 For the envelope, wrap the glitter ribbon twice around it, knot the ribbon and glue the punched-out star decorated with the Glitter-Glue on.
