## Instructions:

- 1 Cut out the specified cuttings from the plain card A4, burgundy/night-blue, the scrapbooking paper "Gold Foil Dots" brick-red/jeans blue and the scrapbooking paper metallic effect, matt gold.
- 2 When using scrapbooking paper "Gold Foil Dots" brick-red/jeans blue, make sure that the dots at the edge are not cut up.
- 3 Apply a strip of special double-sided adhesive tape to the top of the long, smooth side of the A4 plain, burgundy/night blue card cutting and stick this cutting onto the scrapbooking paper cutting "Gold Foil Dots" brick-red/jeans blue.
- 4 Now stick this with special double adhesive tape on the folded card DIN long, kraft, in its middle (at a distance of 1 cm from the lower edge of the card).  
Punch out 6 Christmas baubles with the punching template set: Xmas Tree Ball from the metallic effect matt gold scrapbooking paper by the means of the mini punching & embossing device "To Go".

- 5 Remove carefully the scrapbooking paper (metallic effect, matt gold) from the punching template by means of the tweezers.
- 6 Cut the black yarn of 1 mm ø and knot the ends together.  
Wrap it 3 times around the card, thread first the 5 Christmas baubles with the golden side on and knot the black yarn of 1 mm ø, thread through with the appropriate yarn end from the back side of the 6th Christmas bauble and tie a knot in a loop.
- 7 Affix the cutting of the scrapbooking paper (metallic effect, matt gold) by means of the special double-sided adhesive tape and stick it to the middle of the card.

## Instructions:

- 1 Cut to size the cuttings of the kraft card A4 and the white plain card A4.
- 2 Fold the kraft card A4 on both sides at 6.7 cm.
- 3 Stick the special double-sided adhesive tape on all sides of the white cutting and stamp this cutting in the middle and make sure not to stamp the lettering (do not apply any stamp pad ink).
- 4 Put the stamped cutting aside to dry out.  
Open the folded kraft card A4 and put a scratch paper inside.
- 5 Close the right lateral flap. Then place the scratch paper under the right side of the card and stamp the fir trees.
- 6 Put the card aside to dry out and cut out the cuttings of the plain card A4 (night-blue/burgundy) and the scrapbooking paper (metallic effect, matt gold).
- 7 Punch 2 stars each out of the scrapbooking paper (metallic effect, matt gold) and the plain card A4 (night-blue/burgundy) by means of the motif-puncher Star.

- 8 Cut the black yarn of 1 mm ø and knot the ends together.
- 9 Stick carefully the cutting of the white plain card A4 onto the cutting of the night-blue/burgundy plain card A4 with a spacing of 2 mm to the right side. On the left side, wrap once the black yarn of 1 mm ø around the card and knot it. Affix the special double-sided adhesive tape to the ends and stick the stars together.
- 10 Then glue the left lateral flap of the A4 card by means of the special double-sided adhesive tape and put the cutting flush with the cord on the left side.
- 11 Stick the matching matt gold scrapbooking paper into the card with the special double-sided adhesive tape.
- 12 Finally, unfold the card and attach the hook & loop tape to the middle of the left lateral flap.
