Instructions:

- 1 Fill a total of 24 paper block-bottom bags and paper bags with little surprises and gifts.
- 2 If desired, you can fold the paper block-bottom bags twice across the entire width or in an angular shape. To do this, fold the front part forwards as a corner at each angle and the rear part backwards. Once the two sides have been folded into corners, fold them back together once. Close each bag securely at the top with a numbered clothes peg.
- 3 Fold the little paper bags back twice and tie them with the jute cord as a gift. Add a numbered clothes peg to the top of the bag or to the jute cord.
- 4 Finally, display the 24 little packs as you see fit.
