Wind light glass
with golden cork

Used items:

56 719 000	Glass container with handle, 10 cm ø	1 piece
63 031 616	Cork fabric granulate with metallic effect	34 cm × 12 cm
23 092 000	3D-mica-effect foil	34 cm × 12 cm
51 752 06	Cord without wire	1 m
55 216 02	Organza ribbon, 7 mm, SB-roll à 10 m	60 cm
56 983 000	Metallic small bells, white with glitter 1.5 cm ø	2 pcs
69 114 000	Embossing-punch: star, 3 cm ø	

Instructions:

1 Make the cuttings as follows:

Cork fabric: 1 x 34 x 12 cm
Mica foil: 1 x 34 x 12 cm

2 Draw the fir tree motif in the middle of the left cork fabric's side and cut it out with a sharp pair of scissors.

3 Now you can lay down the 3D-mica-effect foil cutting and glue it onto the cork cutting.

4 Then place them on the glass and stick them together with a double-sided adhesive tape.

5 At the end, decorate the wind light glass with ribbons, small bells, cut-out stars, etc.
